8) SEASONAL MESSAGES

Seasonal messages can appear on the coupons at no charge. Up to 37 characters per message. Attach a list of any desired messages with the applicable months of year. You may indicate a separate message for each month. These messages are often used for your cross-selling marketing messages, or for collection messages etc. A list of sample messages available on request.

Other imprints / features & special requests: Please note: our printing system is very flexible and can likely accommodate any special request you might have. If this Setup Form has missed any item of interest to you...simply enclose a sketch or description of the request, and our designers will work up a mockup to your specs.
